

Table of Contents

		<u>Page</u>
1.0	Introduction	1-1
1.1	Background and Overview of the NLTCS.....	1-1
1.2	Overview of the Functional and Health Changes of the Elderly Supplemental Studies....	1-2
1.2.1	Overview of the Venipuncture Study	1-2
1.2.2	Venipuncture Study Timeline.....	1-2
1.2.3	Overview of the Buccal Cell Study	1-4
1.2.4	Buccal Cell Study Timeline.....	1-4
1.2.5	Overview of the Kin Survey	1-5
1.2.6	Kin Survey Timeline.....	1-6
1.2.7	Overview of the Next-of-Kin Survey	1-6
1.2.8	Next-of-Kin Timeline	1-7
1.3	Institutional Review Board Approval	1-8
1.4	Summary of Supplemental Studies Results	1-8
1.4.1	Venipuncture.....	1-8
1.4.2	Buccal Cell.....	1-8
1.4.3	Kin	1-8
1.4.4	Next-of-Kin.....	1-8
2.0	Data Collection Preparations.....	2-1
2.1	The 1999 NLTCS Questionnaires.....	2-1
2.2	Development of Manuals and Other Data Collection Materials.....	2-1
2.3	Mailout Materials.....	2-2
2.4	TSD and Data Preparation Training	2-3
2.5	Nurse Recruitment and Training.....	2-4
3.0	Data Management Preparations	3-1
3.1	Preparation of CATI Interviews.....	3-1
3.1.1	Programming the Interview	3-1
3.1.2	Programming the Appointment Scheduler.....	3-1
3.1.3	Testing	3-2
3.1.4	Development of the Control System.....	3-2
3.2	Development of the GIS System.....	3-4
4.0	Data Collection Operations	4-1
4.1	Venipuncture Substudy.....	4-1
4.1.1	Site Assignment Procedures	4-1
4.1.2	Tracing.....	4-3
4.1.3	Participant Recruitment	4-3

4.1.4	Preparation for Phlebotomy Appointments	4-3
4.1.5	Nurse Visit	4-5
4.1.6	Shipping the Specimen and Paperwork	4-5
4.1.7	Refusal Conversion to Buccal Cell Collection	4-6
4.1.8	Assessment of Capacity	4-6
4.1.9	Receipt of Specimens at University of Washington	4-6
4.1.10	Receipt of the Phlebotomy Forms	4-7
4.2	Buccal Cell Substudy.....	4-7
4.2.1	Wave Assignment Procedures	4-7
4.2.2	Tracing.....	4-7
4.2.3	Buccal Cell Collection Kit Assembly	4-7
4.2.4	Participant Recruitment	4-8
4.2.5	Assessment of Capacity	4-9
4.2.6	Receipt of Specimens at University of Washington	4-10
4.2.7	Receipt of the Consent Forms and Questionnaires	4-10
4.3	Kin Substudy	4-10
4.3.1	Receipt of Sample from Duke	4-10
4.3.2	Tracing.....	4-11
4.3.3	Buccal Cell Collection Kit Assembly	4-11
4.3.4	Participant Recruitment	4-11
4.3.5	Receipt of Specimens at University of Washington	4-13
4.3.6	Receipt of the Consent Forms and Questionnaires	4-13
4.4	Next-of-Kin Substudy.....	4-13
4.4.1	Receipt of Sample from Duke	4-13
4.4.2	Participant Recruitment	4-13
5.0	Data Management	5-1
5.1	Data Receipt and Preparation	5-1
5.2	Monitoring TSD Response Rates and Production	5-1
5.3	Monitoring TSD Status Code Reports	5-1
5.4	Verification of Specimens Received.....	5-2
5.5	Specimens Received vs. Consent Forms Received.....	5-4
5.6	Reconciling the Phlebotomy Incentive Money and Nurse Payments	5-4
5.7	Case Finalization.....	5-5
6.0	Results and Recommendations.....	6-1
6.1	Venipuncture.....	6-1
6.1.1	Response Rates	6-1
6.1.2	Observations from the Field	6-6
6.1.3	Recommendations.....	6-7
6.2	Buccal Cell.....	6-8
6.2.1	Response Rates	6-8

6.2.2	Observations from the Field	6-12
6.2.3	Recommendations.....	6-12
6.3	Kin Study	6-13
6.3.1	Response Rates	6-13
6.3.2	Sibling Sets	6-15
6.3.3	Observations from the Field	6-16
6.3.4	Recommendations.....	6-16
6.4	Next-of-Kin (NOK) Substudy	6-17
6.4.1	Response Rates	6-17
6.4.2	Observations from the Field	6-18
6.4.3	Recommendations.....	6-18

List of Exhibits

Exhibit 1-1.	TIMELINE: National Long Term Care Survey - Functional and Health Changes of the Elderly Venipuncture Substudy.....	1-3
Exhibit 1-2.	TIMELINE: National Long Term Care Survey - Functional and Health Changes of the Elderly Buccal Cell Substudy.....	1-4
Exhibit 1-3.	TIMELINE: National Long Term Care Survey - Functional and Health Changes of the Elderly Kin Substudy.....	1-6
Exhibit 1-4.	TIMELINE: National Long Term Care Survey - Functional and Health Changes of the Elderly Next-of-Kin Substudy.....	1-7
Exhibit 2-1.	TSD Trainings by Date and Task.....	2-3
Exhibit 2-2.	Phlebotomy Training by Location	2-4
Exhibit 2-3.	Phlebotomy Training Agenda.....	2-5
Exhibit 3-1.	Phlebotomy Appointment Scheduler	3-3
Exhibit 3-2.	Venipuncture IMS Features	3-5
Exhibit 3-3.	Map Layers developed for the Venipuncture Project Management IMS	3-6
Exhibit 3-4.	Study Participants with 60 Miles of Field Office	3-6
Exhibit 3-5.	Completion Rates for the Venipuncture Study in the Upper Midwest	3-7
Exhibit 4-1.	Geographic Regions For National Long Term Care Survey Supplemental Studies.....	4-1
Exhibit 4-2.	Venipuncture Sample Wave List	4-2
Exhibit 4-3.	Summary of Venipuncture Waves.....	4-2
Exhibit 4-4.	Venipuncture Study Work Flow	4-4
Exhibit 4-5.	Summary of Buccal Cell Waves	4-8
Exhibit 4-6.	Buccal Cell Study Work Flow	4-9
Exhibit 4-7.	Kin Study Work Flow.....	4-12
Exhibit 4-8.	Next-of-Kin Study Work Flow	4-14
Exhibit 5-1.	Venipuncture Discrepancy Report.....	5-3
Exhibit 6-1.	Composition of Venipuncture Sample Received from Duke.....	6-1
Exhibit 6-2.	Venipuncture Study Status Frequency Report.....	6-2
Exhibit 6-3.	Venipuncture Study Percentages Status Report.....	6-3

Exhibit 6-4. Venipuncture Study Response Status by Region.....6-4

Exhibit 6-5. Venipuncture Study Sample Member Age Distribution by Region6-4

Exhibit 6-6. Venipuncture Study Sample Member Response Status by Age6-5

Exhibit 6-7. Venipuncture Study Sample Member Response Status by Gender6-5

Exhibit 6-8. Venipuncture Study Response Rates by State6-6

Exhibit 6-9. Composition of Buccal Cell Study Sampled Received from Duke6-8

Exhibit 6-10. Buccal Cell Study Status Frequency Report.....6-8

Exhibit 6-11. Buccal Cell Study Percentages Status Report.....6-9

Exhibit 6-12. Buccal Cell Study Response Status by Region.....6-10

Exhibit 6-13. Buccal Cell Study Sample Member Age Distribution by Region6-10

Exhibit 6-14. Buccal Cell Study Sample Member Response Status by Age6-11

Exhibit 6-15. Buccal Cell Study Response Rates by State6-11

Exhibit 6-16. Composition of Kin Study Sample Received from Duke6-13

Exhibit 6-17. Kin Study Status Frequency Report.....6-14

Exhibit 6-18. Kin Study Percentages Status Report6-14

Exhibit 6-19. Kin Study Participation Rates by State.....6-15

Exhibit 6-20. Unique Kin, Venipuncture, and Buccal Cell Study Sibling Biospecimen Sets6-16

Exhibit 6-21. Next-of-Kin Study Frequency Status Report.....6-17

Exhibit 6-22. Next-of-Kin Study Percentages Status Report.....6-17

List of Appendices

Appendix A: Questionnaire regarding Childhood and ParentsA-1

Appendix B: Lead Letters B-1

Venipuncture

Main Study

Refusal Conversion to Buccal Cell

Not in Previous Study

Short sticks to Buccal Cell

Agreement for Proxy, Incapable

Buccal Cell

Main Study

Agreement for Proxy, Incapable

Kin

Next-of-Kin

Brochures

Venipuncture

Buccal Cell

Kin

Next-of-Kin

Appendix C: Control System Event Codes C-1

Venipuncture

Buccal Cell

Kin

Next-of-Kin

Appendix D: Interim Site ListD-1

Appendix E: Phlebotomy Forms E-1

Reminder Postcard

Phlebotomy Control Card

Consent Form

Incentive Receipt

Shipping Manifest

Phlebotomy Incident Report

Appendix F: Venipuncture Participant Vicinity Map F-1

Appendix G: Venipuncture Simplified Consent FormG-1

Venipuncture Proxy Consent Form

Appendix H: Instructions for Collecting the Buccal Cell Sample.....H-1

Visual Instructions for Collecting the Buccal Cell Sample

Appendix I: Buccal Cell Consent Form I-1

Buccal Cell Simplified Consent Form

Buccal Cell Proxy Consent Form

Appendix J: Buccal Cell Reminder PostcardJ-1
Appendix K: Kin Consent Form.....K-1
Appendix L: Trace Report L-1
Appendix M: Venipuncture Participation Rates by State M-1
 Venipuncture Participation Rates by Site
Appendix N: Buccal Cell Participation Rates by StateN-1
